LaForge wears a revealing red metallic sleeveless top, tight black pants, Agonizer Badge, Phaser II, fighting knife and boots. Blind since birth, he wears a visor that lets him see in a variety of different wavelengths.

Use Leadership/Interrogation to operate Agonizer Badges and Booths. Use Negotiation/Diplomacy to intimidate others.

He is greedy, lustful and not too brave.

Ensign Hessian is his very ambitious and attractive assistant but she shouldn't be trusted..

## Victory Agenda:

1. Promotion. Note that Riker and Picard are ahead of him.
2. Make Picard and Riker look bad in Security Officer Troi's and the Empire's eyes.
