Though only of average height, Captain Picard gives the impression of being tall and imposing. His most striking characteristic is that he is balding. He is in excellent physical condition and very athletic. Captain Picard has a stern voice that demands attention.

He wears a sleeveless red metallic jacket, fighting knife, Phaser II and Agonizer Badge.

His chief bodyguard is Lieutenant Barclay.

Use Leadership/Interrogation to operate Agonizer Badges and Booths.

Use Negotiation/Diplomacy to intimidate others.

Has a successful, ruthless career.

He killed Jack Crusher years ago so that he could have Beverly Crusher as "The Captain's Woman."

He is always escorted by Barclay or another bodyguard.

Victory Agenda:

1. See Mission Card.
2. Gain as much political and military power as possible.
3. Retain command of the *Enterprise*.
