

Back to Luna

Players:

Scot: Ty, Cyborg Soldier
Danielle: Tobi, G-Mod Con Artist
Erick: Sebastian 387G55, Bioroid

Location: Miguel Hidalgo Arcology, New Angeles

Time: 23 August 2180

Steryn Maude, Ty's Loonie handler, will meet him at the Root with a data crystal that needs to be taken to a contact on the moon. Ty's contact is "Luna." He has a picture of her, her pad number and a fake address for her.

Location: Luna

Contact "Luna" doesn't show at the rendezvous.

Location: Luna, Charlie's Diner

Charlie's has an Anna model bioroid waitress.

Steryn replies to Ty's call about missing Luna. Steryn says to delete "Luna's" contact information and standby.

Odin: a drunken roughneck that starts to take offense at Sebastian's presence.

Location: Haas Bioroid, Luna

Ferdinand, Sebastian's maintenance tech, tells Sebastian to monitor possible illegal activities of Ty and Tobi and report them to Haas Bioroid.

Location: Kaguya Spaceport, Luna

Time: 01:00, 24 August 2180.

Police Lieutenant Greaves and two cops shakedown Tye, Sebastian and Tobi but don't find the chip.

Lt. Greaves doesn't like Ty - is a "negative" contact for Ty.

Return to Earth.
