

SASHA'S IMPERIAL IMPORTS

29 August 2180 (Tuesday)

Who might have cybernetic parts for Ty's arm?

Jenda in sublevel 4 West.

She needs parts for a air recycling unit that appears to have been shredded by a Hellion.

What would Jenda want in return?

Pick up repair parts from Sasha at Sasha's Imperial Imports in Stalingrad/Rabotgorod District.

Jenda is 65% machine.

MERCADO BAJA:

Lincoln "Crow" Corwin:

Lanky, 20-something male, red mohawk, piercings, neon tattoos bumps into Sebastian.

Sleight of hand—steals narcotics from Sebastian's bag.

Suspect slips down an alley.

He stole narcotics from Sebastian's medkit.

Coffee shop:

Old man claims his seat, in Spanish.

The barista, Tomas, is nice to Tobi.

Stalingrad area of Rabotgorod District:

Sasha's Imperial Imports:

15:20...

Stalingrad: working, warehouse district.

SII is a fortress-like warehouse.

Anna bioroid greets them with a programmed Russian accent.

Waiting area, dirty and run down. Slight smell of tobacco.

Nicolay or "Nicolai for short"...fair skinned, light-brown hair—very short—dumbly

Work area, banks of programmers working on cyberdecks - "customer service" area

Nicholai says. Hackers actually.

Kalinka Restaurant in Stalingrad neighborhood. Borscht is good, cold or hot.

Restaurant side with band stand & market.
