

REESE CLEANING FUNCTIONS

SCOT: Ty Wren DANIELLE: Tobi ERIC: Sebastian KRIS: GM

5 September 2180 (Tuesday)

In Jenda's lair under Miguel Hidalgo Arcology...

Ty goes to the Mercado; buys 2x burritos from Burrito Cart. Stealth roll = Fail +1
Threat; Perception vs Jose's deameanor = Fail + Triumph

Richard M. Nixon Arcology on next mega-block west of Miguel Hidalgo Arcology, and connected by maintenance tunnels.

Synthetic Plastic Dreams (SPD): in Rutherford District in lower level of an arcology. SPD is trying to patent nano-machines that allow bioroids to alter their appearance at will.

Journey to SPD:

Tobi is dressed in his usual hooded jacket

Sebastian wears a brown, hooded trench coat with hood up

Tye wears street clothes

Bioroid Liberation Movement (BLM ~ "Bioroid Lives Matter") has a student group at Levy University. The group's student president is Rosette^F Hyland. Other members are Zayne^M Rhyne and Amber^F Vlakis.

The party is under Richard Milhouse Nixon Arcology, 3 levels down, and they encounter a damaged & demented cleaning/maintenance robot. "Reese Cleaning Functions!"
