A page brings a message to Soir Agnes Celeste (Danica Bruno).

The Bruno party is detained upriver (south) of covenant.

Bruno party path is upriver to Bratislava, up the river then overland to River Elbe, but then stop at a Slav settlement.

240 miles to Dresden via river.

NOTE: Covenant's Regio also connects to various faerie rings around Europe.

Margrave Dietrich of Meissen might be the problem.

Matron Beatrice is the head of the traveling Bruno party.

Soir Agnes to Beatrice...

Site: Sorbian town on north side of river; Margrave fort south of river; bridge connecting the two; mill on south side of river.

Thalen entertains with Margrave Dietrich of Meissen.

The rest of the party arrives in Berthold's ship.

Notes on Margrave:

- problems with his father, so don't mention father.
- Rumors: that Soir Agnes's ladies are House Bruno traitors.
- The Margrave keeps his page/son hidden from us, though his son is friendly enough.
