## QUESTIONNAIRE

My best friend is Danni'e Brown, the one black kid in school.

The one grown-up I can trust is Coach Fox - he's cranky, old and heavy.

Once I lost my temper.

It was special because people stopped calling me names.

The one place monsters can't get me is the convenience store near school.

The one thing monsters can't touch is my backpack.

I don't go near the pizzeria because the owner is a monster.

My biggest fear is having my friends abandon me

---

---

The thing I like least about myself is my limited vocabulary.

The thing that always gets me into trouble is coming home late after school.

When monsters are around, I get really loud.

My Family is mom, dad & a brother in college. We live in

a nice condo. Dad is a dentist and mom stays at home.
