Beverly Crusher is tall and has red hair. She wears a blue medical uniform, Agonizer Badge, a Phaser-I and a concealed fighting knife.

She is resigned to the fact that Captain Picard murdered her husband and that she is the "Captain's Woman" (it has its perks).

While not intimidating or skilled at torture, she could be the most dangerous crewmember with her knowledge of poisons and designer viruses.

She knows Wesley Crusher is likely to assassinate Captain Picard when he gets a chance, but she will not interfere.

Victory Agenda:

Keep your status as the "Captain's Woman" (regardless of who the captain is).
