Use Leadership/Interrogation to operate Agonizer Badges and Booths. Use Negotiation/Diplomacy to intimidate others.

Remember that the Empire, the Captain and Security Officer Troi support LaForge as long as he is competent at his job.

## Victory Agenda:

1. Get a promotion within Engineering by any means necessary (but without getting caught).
2. Make LaForge look incompetent.

Eileen wears a revealing yellow metallic top, tight black pants, boots, fighting knife, Phaser II and an Agonizer Badge.
