Use Leadership/Interrogation to operate Agonizer Badges and Booths. Use Negotiation/Diplomacy to intimidate others.

He is possibly Troi's lover but will react negatively to anyone who mentions it. He knows she will support the Captain as long as he remains in a strong position.

Lt. Shirt (a real thug) is Riker's main henchman.

Remember: the Empire supports the Captain as long he is a strong captain.

Victory Agenda:

1. Get away with insulting the Captain.
2. Make Captain Picard look incompetent and, if successful, initiate a "promotion by assassination" (or by other means).

Riker wears a revealing red metallic sleeveless top, tight black pants, Agonizer Badge, Phaser II, fighting knife and boots.

He is surly and insulting to others (role-play this carefully). He is lustful and predatory.
