He wears a sleeveless yellow metallic jacket, fighting knife, Phaser II and Agonizer Badge.

Use Leadership/Interrogation to operate Agonizer Badges and Booths. Use Negotiation/Diplomacy to intimidate others.

Lieutenant Shirt is brutal and ruthless. He enjoys the less savory tasks that Commander Riker might have him perform.

While not the most proficient with the use of Agonizers, Riker's enemies tend to have accidents. He has shipboard duties other than protecting Riker but Riker can usually get him assigned to more desirable duties.

Victory Agenda:

1. Keep Commander Riker alive.
2. If Riker is killed, avenge his death.
3. Help Riker make Captain without getting killed or caught.
