# AGAINST the DARKNESS

**Character Name:** WADE HAMPTON

**Position:** _____

**Archetype:** Neophyte

The Neophyte is a young cleric new to the fight against demonic evil, still untested and with conviction that sometimes wavers. The Neophyte still struggles with memories of the freer civilian life, with the new life of faith, with relatively recent vows of celibacy and obedience, and with the knowledge that demons and Hell are real, not just philosophical concepts.

## SPECIALIZATIONS:

_____

_____

Neophyte – Why are you here?  There are some things that humanity was just not meant to see and you had just seen it.  What were they thinking sending a new priest into something like that.  You had heard that the Justiciars were really on the front line of the church and very spiritual but you had no idea things could be so…intense.  It was not at all like the movies.  OK.  Maybe it was kind of like the movies but it's a whole different view when your in it.  The question now is why are you here and is this where you want to stay.  You are still shaken and would have preferred time back at the monastery doing simple duties and singing the prayers together.  That is very peaceful and renewing. Perhaps after this diversion is over you can get some time.  Yes, a retreat of some sort would be just the thing.  Pray about where God wants you to be and if this is truly the work you are called to.
