Day 1

Moon: last quarter

Fort Northern Lookout: a fort of the Waters in Alper.

SGT Nicolai^F, Primeval

Nicolai has a lesson for us:

The last sun, a long time ago. Daughter who touched moon = Mirathen. Lanjoran, a leader in time of threat of Istrum, brought people together. He was honorable and married some guy's daughter.

A messenger arrives. CPT Snare needs help.

PCs are rank Cadet.

General Aviar (bearded, dark hair) sends us to aid CPT Snare.

Our squad:

- SGT Nicolai
- CDT Varknel
- CDT Drathos, Rizadrin^M (Kody)
- CDT Orin, Ejer^M with longbow & dog named "Storm"

Night 1: Moon rises. We camp by creek in winter terrain.

Moondrop, Ejer^F with furs, feathers, black hair, and green eyes (Jessica) joins us during the night.

Day 2

March through forest.

We encounter wolves and a polar bear.
