

Situation

IoTA ambushed a Loyalist convoy a few hours ago. Increasing IoTA forces have surrounded the surviving Loyalist forces at Walkingtree. The Loyalists have radioed for rescue and the PDF commander has asked for STC help. In order to arrive in time STC must move out immediately.

Two squads of Loyalist platoons dug in at Walkingtree.

Two Loyalists mortar vehicles are immobilized in blown abatis south of Walkingtree.

Third Loyalist mortar vehicle is under STC control.

Mission

Relieve the Loyalists forces at Walkingtree and recover vehicles.

Enemy

Approximately 1 IoTA platoon is surrounding Walkingtree. IoTA hired Aslan mercenaries may be in the area.

Supply

Loyalists forces at $\frac{1}{4}$ ammunition (round up). Loyalist mortar vehicles have full ammunition (but unable to fire until abatis cleared). STC units carrying TO&E load with full fuel.

Communications

STC commander assumes operation command. There is no time to issue code words. STC given Loyalist radio frequency.
